Individual Content Required: 10 Hours				
Topics	Hours			
Individuals must obtain 10 hours of individual continuing education on EMS topics of personal interest. Education must be related to patient safety or patient care: rescue, extrication, and HAZMAT trainings are approved as long as there is a simulated patient being cared for during the training.	10			
			**Louisiana requires all EMTs to maintain healthcare provider CPR certification (4 hours can be applied to meet the individual content requirement).	
			**Agency medical directors/training officers may require specific individual training courses by agency policy.	
**If your EMS training agency did not specify 2 hours of department specific training, you must add an additional 2 hours of individual education.

Guidelines on Distributive Education				
Distributive Education (DE) is defined as education received when a live, "real time" instructor is not available. The number of DE hours allowed is limited based on the category in which they are obtained.				
National Content: up to 7 hours of DE is allowed				
Local Content: up to 7 hours of DE is allowed				
Individual Content: up to 10 hours of DE is allowed				
<i>Using DE is optional, however, please be mindful of the hour limits if you choose to use them.</i>
